

Cobequid Dancers Association- Request for Tuition Support

Cobequid Dancers Association is a non-profit organization comprised of parents and dancers. Our purpose is to raise funds to support dances of CDA in their dance activities both within CDA and other dance experiences. Every year we offer limited tuition support to students who have inadequate financial means to participate in dance. Priority will be given to students who demonstrate significant need. If selected, the owner of Cobequid Dance Academy and the Board of Directors of the Cobequid Dancers Association will have access to the information on this application. In order to enable support to as many students as possible, we would kindly ask you to also apply to JumpStart or another funding support programs for financial assistance. All approvals are at the sole discretion of the Cobequid Dancers Association and are subject to demand and budget. Payment schedules will be determined by the needs of the family. Any family requesting support is asked to fill out this form and submit it to the Cobequid Dancers Association at cobequiddancers@gmail.com no later than September 30th.
